BFGoodrich Tires

The Mud-Terrain T/A KM3 tire, developed by our Rally Raid experts, meets the needs of UTV/SSV vehicles. Our years of Rally Raid experience enable us to offer a high-performance all-terrain tire tread, including on mud and sand, as well as hard and rocky surfaces.

The rubber composition will provide stability, comfort and grip at any angle of attack, combined with a bending area that follows obstacles as effectively as possible, making this tire your ideal sports outing or competition partner.

DESIGNATION	TYPE	RECOMMENDED RIM (")	INFLATED DIAMETER (MM)	TYRE CROSS-SECTION (MM)	WEIGHT (KG)
28/10-14	MUD TERRAIN T/A KM3 UTV	8J14	723	252	16.30
30/10-14	MUD-TERRAIN T/A KM3 UTV	8J14	763	250	16.60
30/10-15	MUD-TERRAIN T/A KM3 UTV	8J15	775	254	17.80
32/10-14	MUD-TERRAIN T/A KM3 UTV	8J14	NOT AVAILABLE	NOT AVAILABLE	19.28
32/10-15	MUD-TERRAIN T/A KM3 UTV	8J15	823	261	19.12

THE RANGE

G2
AVAILABLE IN 16''

BFGoodrich

Designed for front axle of 2wd Buggies, this is a narrower tyre that performs on both rocky surfaces and sand. Suitable for a variety of uses.

BAJA KR2
AVAILABLE IN 17''

BFGoodrich

An evolution of the original Baja KR. The latest tread deign and compound allows for improved grip and handling on a variety of surfaces, including rocks.

ALL TERRAIN T/A KDR C
AVAILABLE IN 16''

BFGoodrich

The ALL TERRAIN KDR C's reinforced and highly resistant carcass was specially designed for Raids. It carries 4x4 vehicles on the harshest ground of the world's most prestigious Rally Raids, thanks to very good side grip, highly comfortable steering and excellent braking stability.

ALL TERRAIN T/A KDR2
SOFT & MEDIUM IN 17''

BFGoodrich

The ALL TERRAIN KDR 2's reinforced and highly resistant carcass was specially designed for Raids. It carries 2 and 4 wheel drive vehicles on the harshest ground of the world's most prestigious Rally Raids, thanks to very good side grip, highly comfortable steering and excellent braking stability.

ALL TERRAIN T/A KDR2+
SOFT & MEDIUM IN 16'' AND 17''

NEW

BFGoodrich

It is now available in a 16" Soft version. This new tire provides better grip mainly on sand than the Medium version.

The ALL TERRAIN KDR 2+ tire enhances 2 and 4 wheel drive performance without compromising wear. It combines all KDR model technologies and the latest BFG innovations.
